Transpersonal Effects of Self-Initiated Expatriation on Retirees

MSC Transpersonal Psychology- Module 7500-Dissertation

Elisabeth Carrio

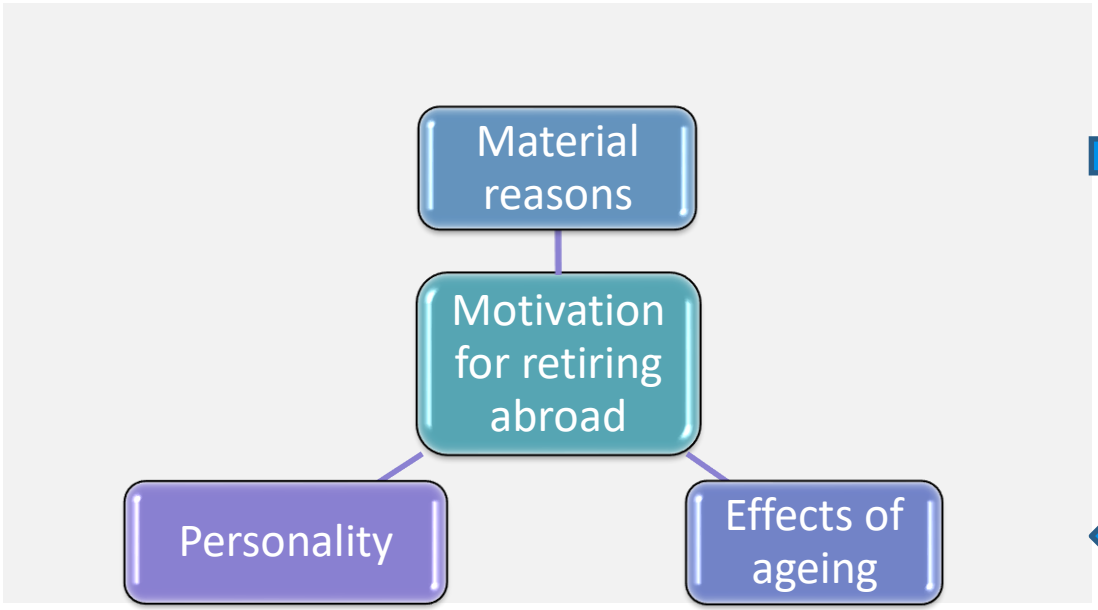

May 5th 2023

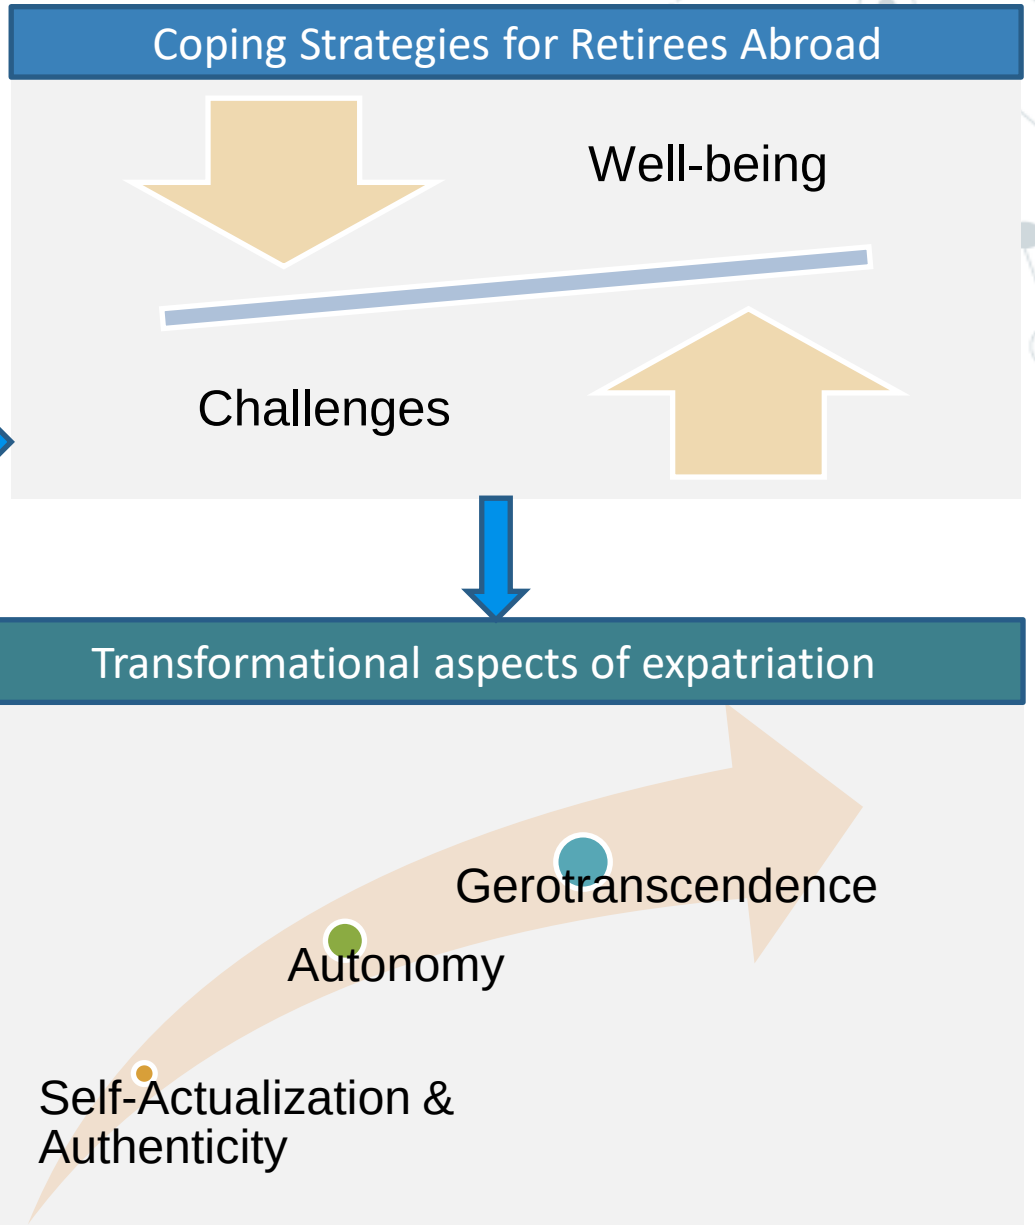

Why this Research Project

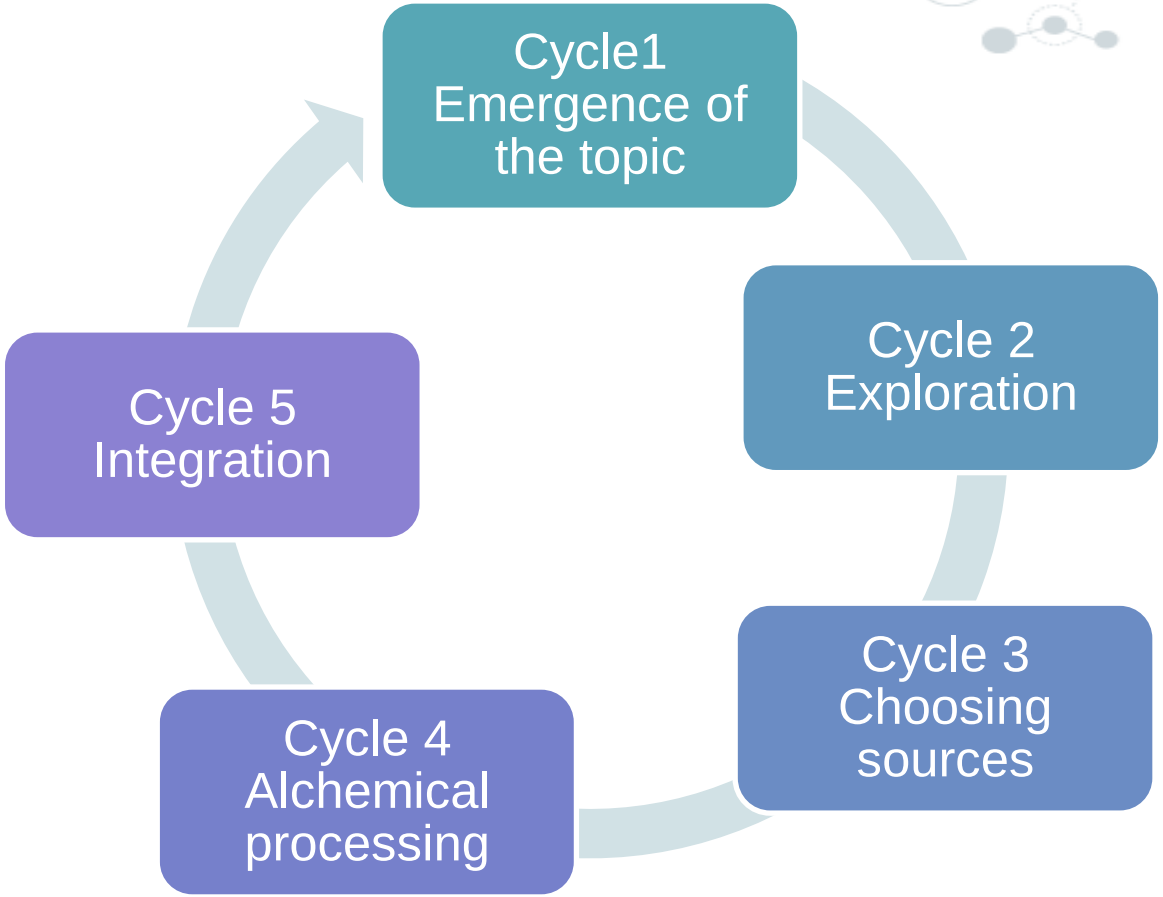

Literature Review

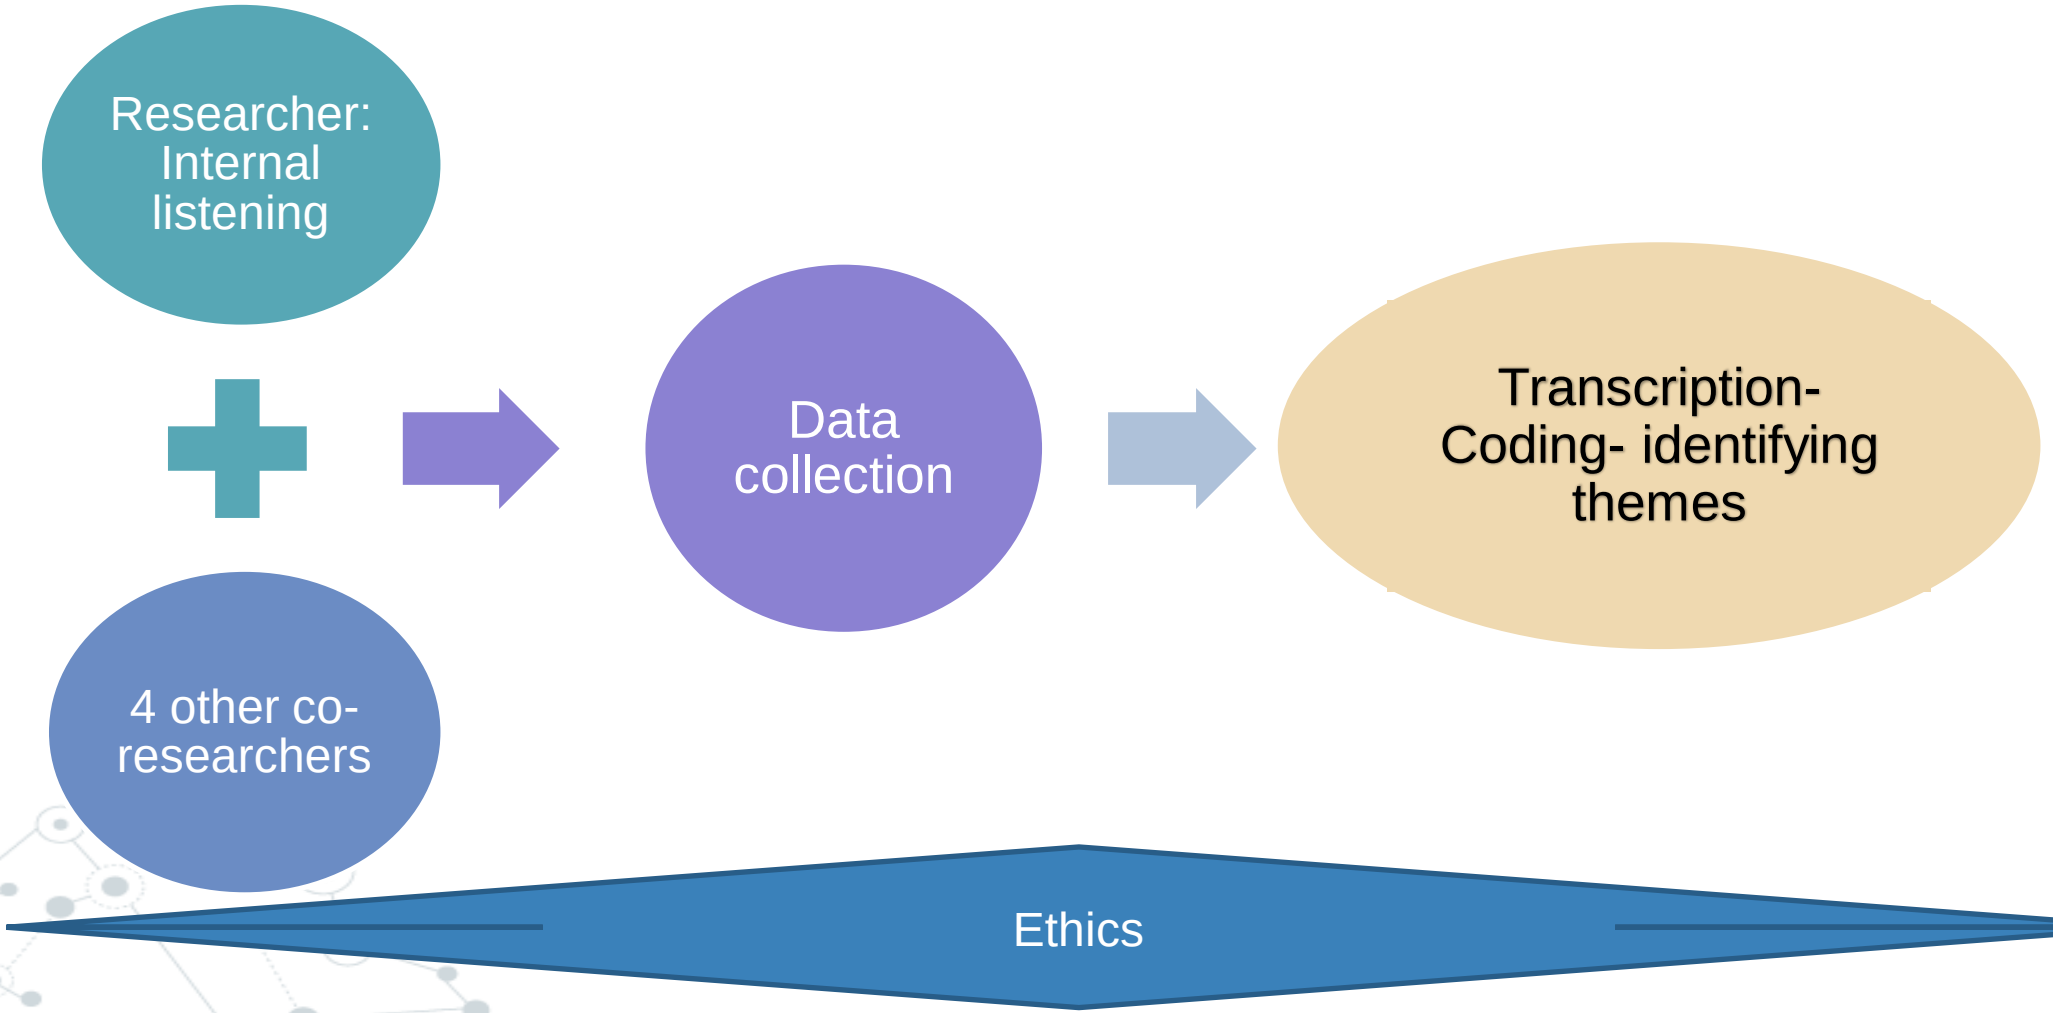

Research Method: Organic Inquiry

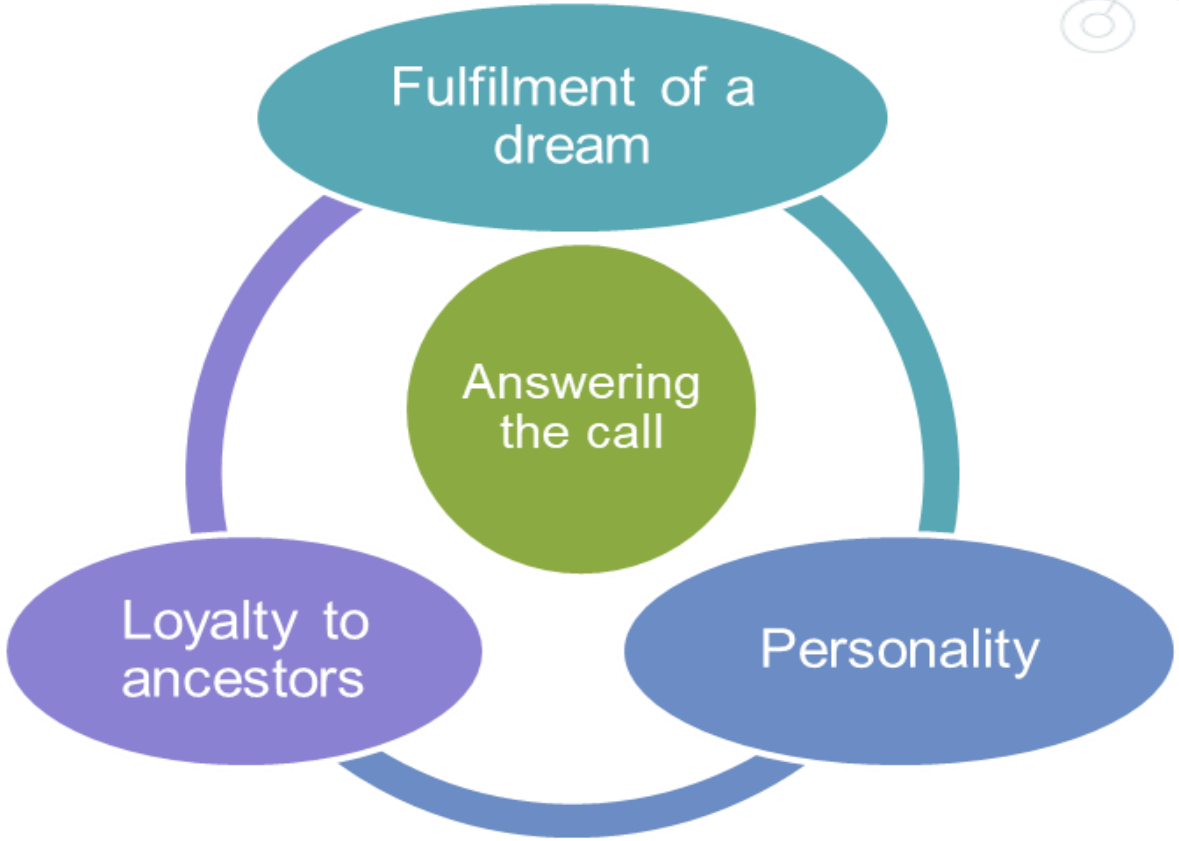

Research Method: Participants as Co-Researchers

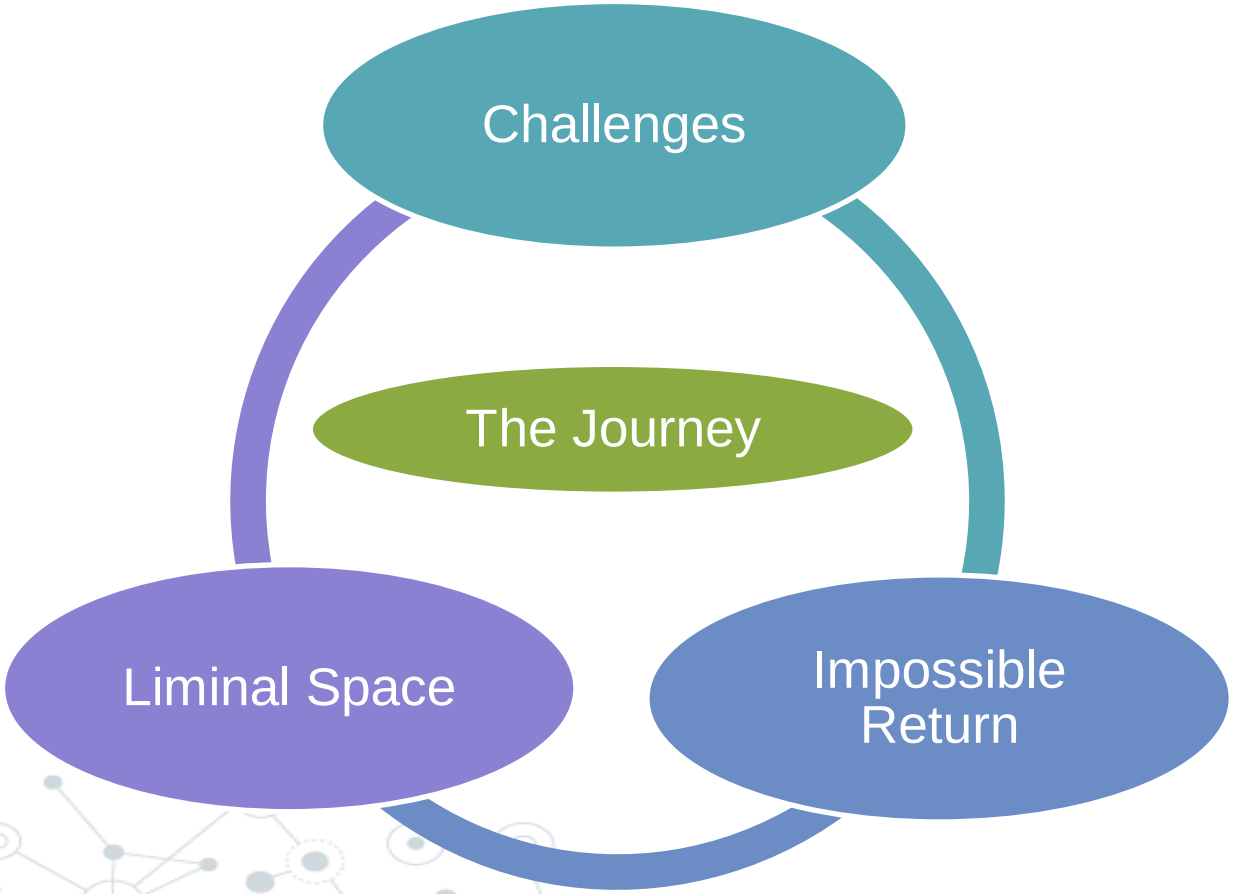

Findings: Three Transpersonal Themes

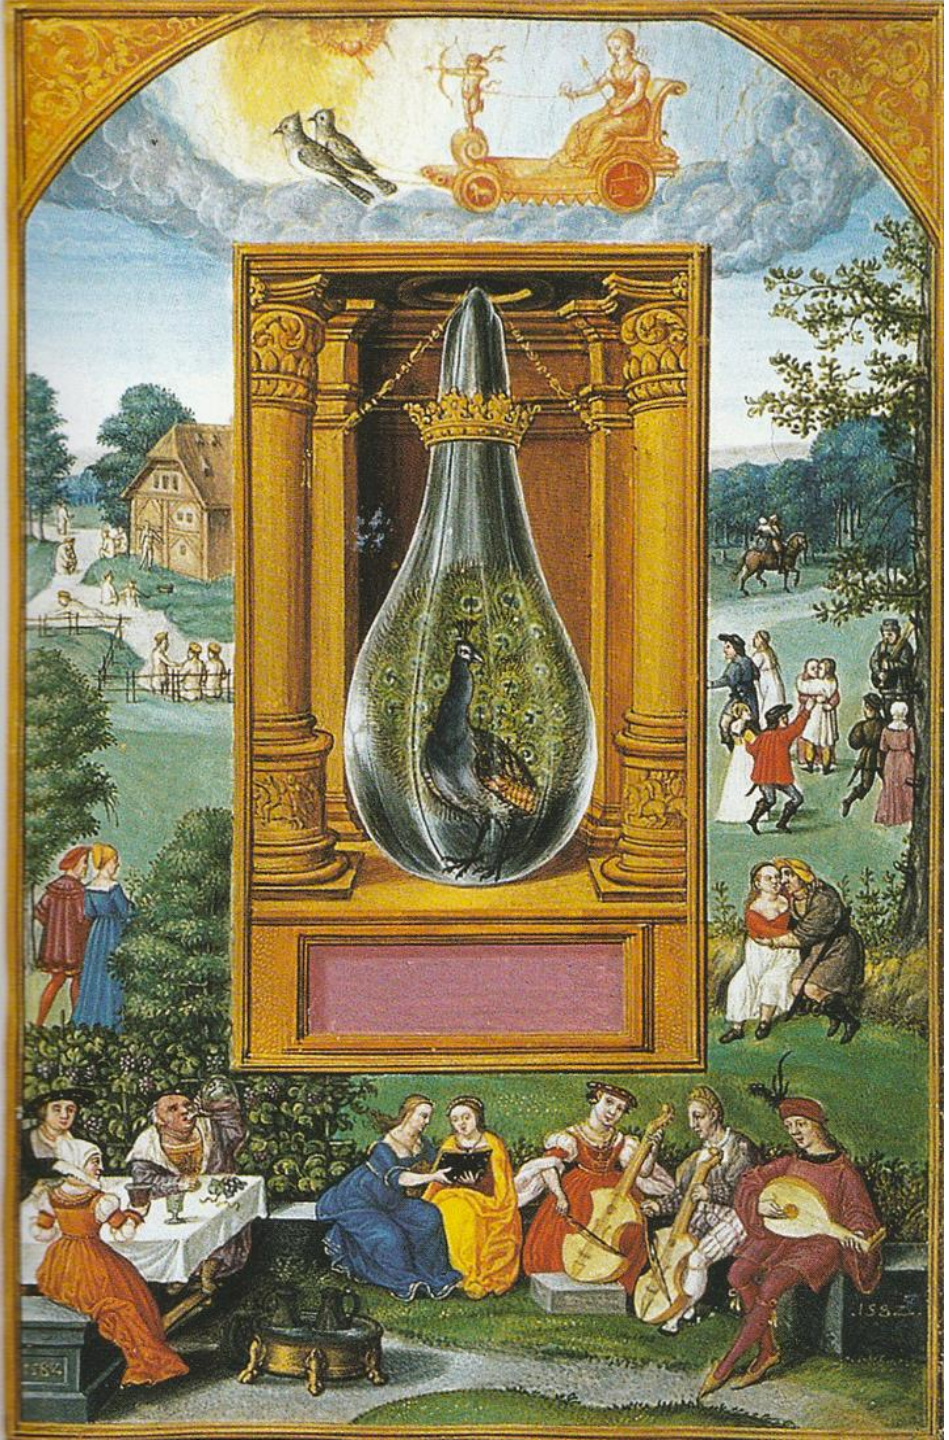

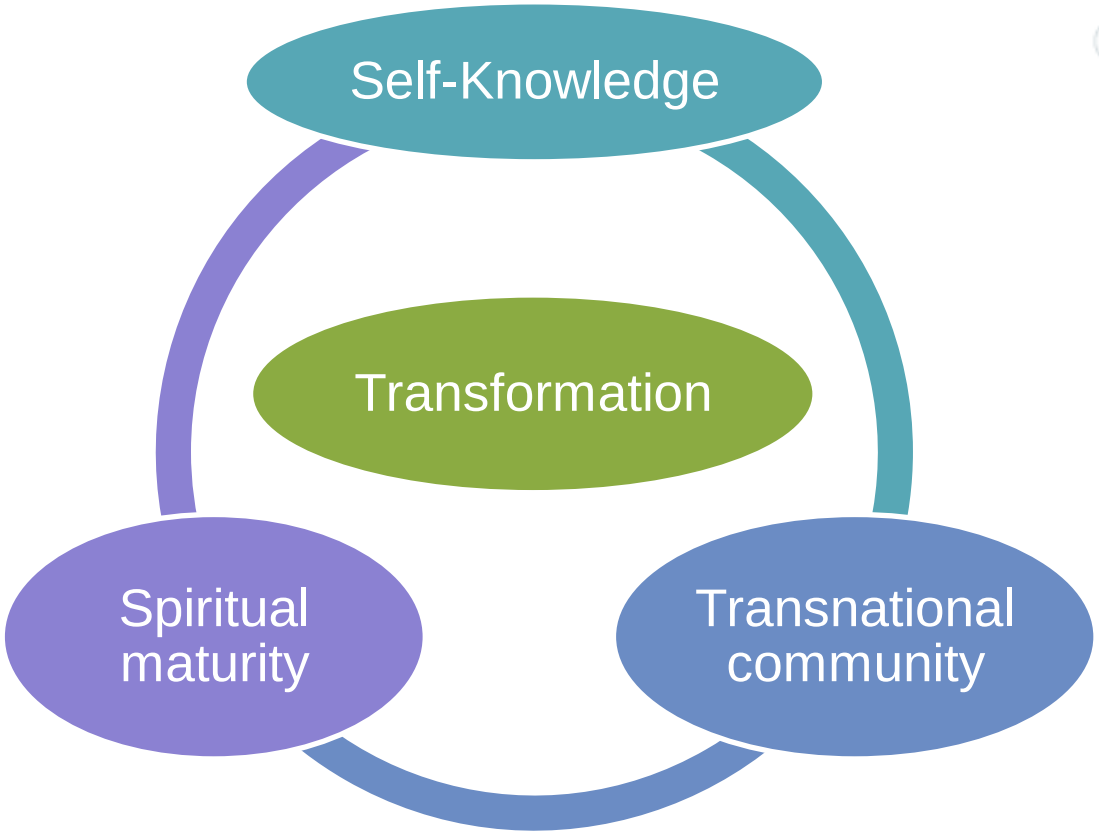

Findings: Three Transpersonal Themes

Findings: Three Transpersonal Themes

Reflections and Forward Discussion

The departure

Call + Personality = The archetype of the aged traveller

Reflections and Forward Discussion

The journey
And its transformative impacts

The eternal exile

Thank you for your attention
